"Design For The People is a vision of creating cool design products at a price everyone can afford. Design with a Nordic twist intended for people all over the world".

NURU
Designed in Denmark by
Bønnelycke mdd

Bønnelycke is driven by an unsurpressable urge and desire to work constructively and innovatively. He started his career in 1988 with the design of lamps, furniture and interior spaces. Quickly, he became known as an unconventional architect with no whims and fancies.
