- Maritime robust design • Built-in parallel connection
- Extra durable material suitable for coastal areas (Designed For Seaside) • 15-year guarantee on surface deterioration

Polperro was inspired by harsh coastal areas with roaring seas and tall waves. The maritime design makes Polperro a decorative and classic wall lamp that fits beautifully by the front door, the garage or on the fence. Furthermore, the Polperro can be connected in parallel, making the lamp extremely functional.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes brass to develop a beautiful, darker patina.
