Item Number: 49091001

Pcs Per Master Carton: 6

Sales Box Height (cm): 12

Sales Box Width(cm): 8

Sales Box Depth (cm): 5.5

Sales Box Volume m³ : 0.0005

Product net weight (kg): 0.181

- Easy installation without the use of cables • Daylight and motion sensor in one unit • IP safe for both outdoor and bathroom use
- Bracket included for tilted or corner positioning • Battery lifetime +400 days • Can control

Smart Sensor is a wireless battery-operated lux and motion sensor with free mounting opportunities, as no cables to the sensor are required. The Smart Sensor can be connected to any of the Nordlux Smart Light bulbs and luminaires.

The sensor operates via Bluetooth and is connected to the Nordlux Smart Light app, where you easily regulate the motion and darkness sensitivity sensor. Mount the sensor directly on the wall or with the enclosed bracket to determine the direction of the sensor. The Smart Sensor being IP safe, makes it ideal for both outdoor and bathroom use and has a battery life of 400 days.
