luminaire): 36

Candela (cd) (for directional
lamp only): 0

- Stepless dimmable 0-100% by wall dimmer excl.
- Stepless dimmable 0-100% by wall dimmer excl.

Carina is a retrofit downlight for indoor use with a die-cast frame. Carina is quick and easy to assemble via a screwless connector and twist-lock system. Furthermore, the downlight includes a dimmable GU10 354lm bulb, which makes it possible to dim the lights depending on the situation and needs.

The downlight emits a warm light of 2700 K, which is particularly suitable for, for example, the living room, dining room or bedroom.
