• Classic and stylish design • Suitable for bedside light

The Ray wall light from Nordlux is a light in a very classic and stylish design. The light is made of chrome with a glass shade. The white glass shades provide a soft and pleasant light that fits into many places in the home. Use it as a decorative light in a corner that needs a little extra light, or use it as a reading light by the good armchair, or on the bedside table, or in a teenager's room.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
