• Classic and stylish design • Replaceable rings for optimal choice

The Ray pendant 2-kit from Nordlux includes two lights in a very classic and stylish design. The lights are made of chrome with glass shades. The white glass shades give a soft and pleasant light that suits many areas in the home. Use them as decorative lights in a corner that requires extra light, or as reading lights behind the good armchair. The lights can be hung together, separately, offset, or at the same height – there are many possibilities.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
