luminaire): 36  
Candela (cd) (for directional  
lamp only): 650

- Build-in parallel connection • Including GU10 bulb
- Build-in parallel connection

Castor Maxi is a stylish wall light from Nordlux that casts its light from the bottom. With its modern design you are assured of a wall light that will fit into any outdoor environment. For example, place the light at the entrance or along the driveway for a beautifully illuminated exterior.

The galvanised finish makes the light fixture resistant to the Nordic climate. We recommend light fixtures in galvanised steel for coastal areas.
