- Built-in parallel connection • Extra durable material suitable for coastal areas (Designed For Seaside)
- 15-year guarantee on surface deterioration

The Lønstrup wall light from Nordlux is a light of classic, simple design, making it ideal for all outdoor environments. The light provides a beautiful and soft light making it perfect for the front door.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes the galvanised steel to develop a beautiful, darker patina.
