Product net weight (kg): 2.28

- Built-in parallel connection • Can be mounted on Nordlux base unit
- Extra durable material suitable for coastal areas (Designed For Seaside) • 15-year guarantee on surface deterioration

A traditional outdoor light in galvanised steel. Suitable for energy-saving bulbs or LED bulbs.

It is possible to purchase a base for pillar lighting appropriate for this product.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes the galvanised steel to develop a beautiful, darker patina.
