Pure was created to be a charming pendant light, and a star was born. Similarly, a design offering the potential to expand the collection – all composed of clean lines with the unmistakable common feature: the elegant slender top, made from oiled walnut. Pure delivers a stylish simple line in home decoration, and will quickly find its proper place due to its sleek design. Also in your heart. Design by Bønnelycke MDD. The light has many fine details, such as the simple adjustable arm in brushed brass and an elegant placement of the on/off button.
