**PATTON 19**  
 designed by  
 Bønnelycke mdd  
 Bønnelycke is driven by an  
 unsurpassable urge and  
 desire to work constructively  
 and innovatively. He started his  
 career in 1988 with the design  
 of lamps, furniture and interior  
 spaces. Quickly, he became  
 known as an unconventional  
 architect with no whims and  
 fancies.
