two types of IP degree: IP44
Class (Class I, Class II, Class III):
Class 2 (Double isolated)
Lampholder type (eg, E27/E14,
etc): LED Module
Dimmerable: True

Primary material: Metal
Secondary material: Plastic

Color: White
Height (cm): 7
Length (cm): 59.5
Projection (cm): 6

EAN: 5701581340985
TUN: 1845305
Item Number: 84531001
Pcs Per Master Carton: 3

Sales Box Height (cm): 62
Sales Box Width(cm): 15
Sales Box Depth (cm): 12
Sales Box Volume m³ : 0.0112
Net weight of the luminaire (kg):
1.42

Useful Lumen (lm): 1100
Color Temperature (K): 3000
Ra-value : 80
Lifetime (h): 20000
Spread Angle (°) (beam angle of
luminaire): 120
Candela (cd) (for directional
lamp only): 0

- Up & down light effect 450-650lm • Stepless dimmable 0-100% by wall dimmer excl.
- Also ideal to install in other indoor rooms • Up & down light effect 450-650lm

A good solution in the bathroom can also be a great choice for other rooms. IP S16 is created for bathroom use and can therefore withstand moisture and water. The long shade sends a genuine ocean of light down onto the selected area of focus, whether it is in the bathroom, over the kitchen table or placing focus on your favourite painting in the living room – why not use wet-room light in the rest of the house? With the included linkage you can even extend the IP S16 indefinitely, so if a six-metre-long wall light is your desire, then the IP S16 is the solution. Design by Bønnelycke MDD.
